

**Dr. Michael Paulweber**

---

**ARTEMIS-IA Vice-President / Treasurer**  
**AVL List GmbH, Director Global Research Program**

Michael Paulweber has been working for AVL List GmbH since 1995 in different units of the company. Since 2011 he is responsible for global research programs, public funding, technology management, IP protection and for European and national funding projects. The deep involvement in European projects led to an active role in ARTEMIS-IA (European Industry Association for CPS / Embedded Systems).
